Life Enrichment

What about today's teaching challenged, disturbed, or encouraged you?

- When have you struggled to worship God? What have you done to overcome the struggle?
- How might reflecting on God's patience help you to overcome future worship struggles?
- Why do you think people sometimes view God as quick tempered and easily angered? How does this affect their view of Him?
- How does Psalm 103:8-12 help us see God as patient?
- When we begin to understand that God is fundamentally patient with us, how does it change our relationship with Him?
- In 2 Peter 3:8-9, we read about God's patience as a delay in judgment. What does a delay in God's judgment mean for non-believers? For believers?
- How might delayed judgment shape our perspective and attitudes toward a wicked society?
- How do you think God's patience will improve your relationships, perspective on society, and ministry in our community this week?
